

**BRINGING FAMILIES
TOGETHER**
IT'S YOUR JOURNEY

Join our team for the opportunity to be a part of BFT's vision: **Strong, resilient communities... one family at a time.**

Who we are:

Bringing Families Together (BFT) offers seven vital programs across the state of Missouri. Mission-driven staff members become a part of the BFT community while transforming the lives of those in need.

BFT implements programming for clients **to strengthen families and children by promoting self-sufficiency, well-being and safety through prevention, intervention, education and advocacy.**

Why join the BFT Team:

Our team ensures that **trauma informed services** are provided to our clients. As a BFT team member, you will create opportunities to **enhance the lives of children and families, one relationship at a time.**

We focus on the values of: **safety and permanency** for each client served; respect and compassion at the forefront of every interaction; and integrity through every decision made. Staff also find **growth opportunities** as they explore their areas of interest within the agency.
