FAMILY SUPPORT SPECIALISTS PROVIDE

VISITS

Family visits are a critical part of the reunification process. Without quality visits, reunification is less likely.

COACHING

We offer hands-on assistance for families needing an extra push towards success with individualized goal planning.

EDUCATION

Parenting+Plus emphasizes relationship building and positive strategies using evidence-based curriculum.

ENGAGEMENT

Our specialists are in the unique position to bridge the gap between parents and case managers with engagement tools.

NURTURING SKILLS FOR FAMILIES

- Parenting+Plus Classes 15 (1.5 hour) classes held individually or in small groups.
- Visitation services as arranged and approved by social services and the courts
- Individual coaching for parents and engagement strategies for case managers.
